Argentina vs France preview

All eyes are on Lionel Messi heading into this

World Cup final as the iconic star hopes to end his international career with the one big trophy that has eluded his grasp.

This will be Messi's second World Cup final,

having lost out to Germany in 2014, and the Albiceleste will be eager to give him the send-off he deserves by getting the better of France.

Les Bleus hardly looked great in

their knockout wins against England and Morocco, but they have the experience required to claim another success.

While a World Cup victory would help settle the debate around

Messi being the best the game has ever seen, a second straight success for Kylian

Mbappe would thrust him fully into the frame for that title.
