Definition Of A Banker Bet\n\n The banker in any bet is the selection that is most likely to win. It is the most reliable leg of a multiple bet and the one that produces the highest strike rate. The banker tends to be a short-priced selection but that is not always the case.

The company aims to provide its customers with the best possible gaming experience through a number of unique and competitive features. The bookmaker is based in Cyprus and owned by Aspro N.V., a company registered in Curacao and operating under the license number 8048 of the Curacao E-Gaming license verification.
