I would say that \$100 is my minimum amount to budget when visiting a casino. When playing with R\$100, the only table game I would be interested in playing is roulette, and only if the bet is R\$5 minimum or less. Only getting 10 spins at the table is not my idea of a good time.

The Las Vegas Strip's leading casinos are considered among the most lucrative in the world, bringing in between R\$1 million and R\$10 million dollars daily. These numbers can vary depending on the time of year (vacation season or the end of it), events, and the reputation of the establishment.

## Theme and Storyline

Extra Chilli Megaways is a fun new slot from BTG, using the ambience of a South American market for its setting and the spicy hot chillies that grow in the New World for its iconic symbols. The bustle and 5 colours of the marketplace make for a lively setting that is realised through excellent sound and visual design.

## Graphics, Sounds and 5 Animations

The sound, in particular, should be singled out for praise. The subtle soundscape created by the murmur of voices blend 5 seamlessly with the more prosaic reel and win sound effects. The overall effect is an excellent, immersive experience.
