### Where did it happen?

### Consequences and outcomes:

- Provides new users with the chance to double their chances of winning;
- Increases the interest of participating in esports and live games;
- Enhances Zebet's competitiveness in the market and exposure.

### What should be done differently?

- Making the offer more widely known through targeted advertising;
- Extends the promotion time to create a sense of urgency and excitement;
- Reach out to potential users who have already shown interest in online betting.

### Q&A:

#### Where can I first hear about the offer?

You can find it on Zebet's website, or other promotional ads through affiliate websites that partner with Zebet.

#### Who can participate in the promotion?

Anyone who hasn't possessed a Zebet account and verifies their identification is eligible for this promotion.

#### Why double the first bet instead of providing a deposit match?

By doubling the first bet, Zebet incentivizes people to place their first bet on the website, rather than simply registering then withdrawing.
