Random Number Generator\n\n Random number generators are an essential part of slot

machines. Slots are programmed with a set of possible outcomes, and each time you pull the lever
or hit the spin button, the random number generator chooses which outcome will occur.

It's widely accepted among players that the optimal times to play slots are early morning or
evening, with peak hours typically occurring between 8 pm and 2 am. Take some time to watch
the particular machine to gauge when it is most likely to pay out.
