O documentário angustiante de Viktor Portel segue Vladimír Džuro, um investigador checo comprometido **bet365 demorando para carregar** levar criminosos à justiça. Com base no livro best-seller The Investigator: Demons of the Balkan War (O Investigador da Guerra dos Balcãs), o filme foca principalmente nas atrocidades cometidas pelas forças sérvias. O massacre de Vukovar, um dos incidentes mais infames da guerra **bet365 demorando para carregar** 1996, é narrado com detalhes reveladores. Em 1991, nos últimos dias do verdadeiro crime contra a Guarda Nacional Croata e o exército iugoslavo controlado pelos sérvios durante uma Guerra Independencial (JNA), este último vetou um acordo para evacuar os ex-militares Vukovares no final das filmagens que foram feitas na parte sérvia; No fim quase 300 pessoas eram vítimas mortais.

Trabalhando com o Tribunal Penal Internacional para a ex-Jugoslávia (TPI), Džuro desempenhou um papel fundamental **bet365 demorando para carregar** trazer à luz os crimes do antigo presidente sérvio Slobodan Milošević, infame líder paramilitar Arkan e outros. No entanto, o filme também sugere que a justiça verdadeira é uma ideia esquivada de ser satisfeita por meio de um sistema judicial ou sentença contra tentativas institucionais no sentido da distorção das atrocidades sancionada pelo Estado; só se começa pela recolha dos dados provados apenas através deste acto público:
