Manchester United despedirá a Erik ten Hag después de la final de la FA Cup

Manchester United ha decidido despedir a Erik ten Hag después de la final de la FA Cup contra Manchester City.

Ten Hag, quien se unió al club hace dos años, está listo para partir después de una campaña llena de dificultades. United terminó octavo en la Premier League, su peor posición en la liga desde 1990, y sus esperanzas de clasificar para Europa dependen de vencer a City en Wembley el sábado.

Una fuente bien ubicada dijo que incluso ganar la Copa no salvaría a Ten Hag. La decisión de cambiar de entrenador será el movimiento más significativo realizado por Sir Jim Ratcliffe y sus aliados desde que Ineos tomó una participación minoritaria y el control de las operaciones de fútbol.

United ha identificado a Thomas Tuchel, Mauricio Pochettino, Kieran McKenna, Graham Potter y Thomas Frank como posibles reemplazos. Ten Hag ganó la Copa Carabao y terminó tercero la temporada pasada, pero no ha podido construir sobre su trabajo inicial y muchas de sus contrataciones no han funcionado.

United se negó a comentar después de ser contactado por The Guardian.

Soccer is the beautiful game. And for those who enjoy watching soccer, there's nothing more exciting than watching a live match, surrounded by thousands of fans cheering for their favorite team. The atmosphere is electrifying, and every goal scored sends the crowd into a frenzy. But for those who can't attend a live match, there's still plenty of excitement to be had. Betting on soccer can be a thrilling way to enjoy the game, as you cheer on your favorite teams and possibly win some money.

When it comes to online sports betting, there are many websites out there that offer this service. However, not all of them are trustworthy, reliable, or offer competitive odds. That's why we've put together a list of the top five online sportsbooks for soccer betting. So, whether you're a seasoned bettor or a beginner, these websites have got you covered.

1. Bet365

Bet365 is one of the largest online sportsbooks in the world, with over 23 million customers worldwide. The website offers a user-friendly interface, live streaming of matches, uncomplicated cashouts, and excellent customer service. They offer a wide range of markets to bet on, including international and domestic leagues, as well as plenty of prop bets to keep things interesting. And, with a tried and true reputation spanning two decades, you know your money is safe with Bet365.

2. 888sport

888sport may not have a long history like Bet365, but they've quickly established themselves as one of the top online sportsbooks out there. They offer a generous welcome bonus, live streaming of events, and a fantastic mobile app to take your betting on the go. They also provide plenty of offers and promotions, including a unique betting feature called "Specials," where you'll find enhanced odds for bigger payouts.

3. FanDuel Sportsbook

Because of their focus on the US market, FanDuel has established itself as a powerhouse in the sports betting industry. What they lack in international scope, they more than make up for with their intuitive mobile app, same-day payouts, and interactive features like "Beat the Score," where you can earn points to compete against your friends. And while new bettors may feel intimidated at the sheer number of options available, FanDuel ensures that their resources are helpful to all bettors. If you're a sports expert or a beginner, you can place bets on various prop bets, alternate lines, and futures, all with just a few taps. Live betting is easily accessible by scrolling down on their page, offering all the live games available with updated odds. NFL lines generally get posted on Sunday nights, letting bettors prepare and place better-informed wagers. If you're hesitant to try online sports betting or need support, don't hesitate to give Fanduel a call; their customer representatives will talk to callers seven days a week. The hold times are minimal during business hours, with excellent customer service, friendly advisors.

4. Sportsbet

Sportsbet is Australia's biggest online betting company, but that doesn't stop them from being

known worldwide. With over 1,000 betting markets available, Sportsbet has something for everyone. New customers who have never placed a wager before don't need to worry - Sportsbet has a "How to Bet" section to get them started. And with competitive odds, a long list of promotions, high betting limits, easy payouts, and a top-rated app, there's no question why Sportsbet has such a good reputation.

5. DraftKings Sportsbook

DraftKings has a popular Daily Fantasy Sports platform, but it's their sportsbook that is most impressive. With generous bonuses and a great mobile app, it's hard to look past DraftKings. Sure, their lack of live streaming is a downside, but they offer various sports and prop bets that make it more than forgivable. New bettors may find things to feel a bit cluttered on the app, but there's no denying that DraftKings puts their vast range of sports upfront and center.

So why is it advantageous to bet on soccer with the above five sportsbooks? All five websites cater to your needs, no matter your skill level — they keep up with new reports of matches across the globe and make it easy to keep track of which matches are playing when. All you need is an Internet connection to place a wager in your pajamas, from anywhere in the world. Soccer doesn't sleep, which is great for
