nairolph87 said: because on gg they like to offer high variance rake trap games like allin or fold, gold and rush, spin and gold instead of normal sit and goes to make the money flow around more and therefore rake more. its not a coincidence they hired daniel "more rake is better" negreanu as their ambassador. As for "gold n rush" its GG Pokers variation of fast fold cash games like pokerstars Zoom games. And just from looking in the lobby, since I am not allowed to play on GG Poker, they might actually be worth playing. They apparently have a rake cap of 3BB per pot, which for micro and low stakes games is extremely low compared to cash games on other sites. So I would not exactly label that game a "rake trap". In fact it seem to instead be an outright bargain. But yeah. Of course GG Poker is trying to make money. So are any other poker sites. They are after all private businesses. And the harsh reality is, nobody need winning poker players. Recreational players dont need us, and poker sites certainly dont either, because we essentially suck money out of the ecosystem, when we withdraw our winnings. So we are tolerated but certainly not loved by any poker sites. And GG Poker has made absolutely no bones about the fact, they are catering to recreational players. For instance they also have a policy prohibiting bum hunting in cash games. At the end of the day, if you dont like, what a certain poker site has to offer, then dont play there. Vote with your feet and rake money. Pretty much as simple as that
