2up offers are positive in expected value or EV for short, this means that you aren't going to make a profit every single time you do them, however, the maths is heavily on your side meaning that over the course of a short period of time, such as a week or a month, you will make significant profits from running the ...

A thrower balances two pennies on two outstretched fingers and then tosses them high in the air to see how they land. The thrower wins with double heads and loses with double tails. Other men in the crowd cover his bets (bet against him), with a "boxer" handling the money and keeping track of the bets.

The key to the 2 Odds Betting Strategy like most betting strategies is to be able to identify value. That means finding situations where the true chances of something happening are actually above 50%, but you are getting odds of 2.0 meaning you have intrinsic value in your bet.

For single bets, if the team you back to win goes 2 goals ahead at any stage during the match, we will pay out your bet in full regardless of whether the opposition comes back to draw or win the match.
