Laurence Llewelyn-Bowen apresenta "Outrageous Homes": uma nova era de design e autenticidade

Desde os dias **back door poker** que Laurence Llewelyn-Bowen e Linda Barker devastavam as salas de estar do país, causando pânico **back door poker** todos os subúrbios, até à **back door poker** recente volta às telas com "Outrageous Homes", LLB parece ter amadurecido ou, pelo menos, calmado-se um pouco. O antigo estilo extravagante deu lugar a uma abordagem mais centrada no design e na individualidade.

A calma após a tempestade

Nos primeiros anos do século, a simples menção do nome LLB era suficiente para nos fazer tropeçar no comando do teletexto à procura do botão de desligamento. Agora, porém, as coisas são diferentes. LLB regressou com "Outrageous Homes", uma série que se destaca por demonstrar a autenticidade e o prazer pessoal **back door poker** vez de simplesmente chocar.

Casas extravagantes e donos excepcionais

A série mostra uma variedade de casas e estilos de vida, desde um rancho western **back door poker** Cheshire a uma réplica meticulosa de uma casa dos anos 70 **back door poker** Manchester. Os proprietários estão livres para expressar a si mesmos e as suas paixões, seja numa casa cheia de tanques de peixes ou **back door poker** uma réplica do trono de Treasure Island.

Uma nova era de design com LLB

Laurence Llewelyn-Bowen e "Outrageous Homes" representam uma nova era no design de interiores. A ênfase está posta **back door poker** criar lares que refletem a personalidade dos proprietários, **back door poker** vez de seguir tendências passageiras. LLB prova que é possível ser extravagante sem ser ridículo, e que o design pode ser divertido, atraente e, acima de tudo, verdadeiramente representativo do seu dono.

How Does the Sportingbet Bonus Code Compare With Other Offers?

Compare offers across bookmakers by checking the bonus code listings page. Sort by properties such as bonus size and multiple, or search for a particular bonus feature, such as all sports promotions requiring no deposit.

When new users sign up for a Sporting Bet account they will get up to £50 in bonuses, in comparison to other bookmakers, however, the offer is a little more complicated. Unlike other bookmakers such as Betvictor who offer combined sports and casino bonuses, the Sportingbet offer requires you to complete multiple qualifications to receive each part of the bonus. The bonus expiry is also far shorter than that offered by bookmakers such as Coral, meaning this bonus may be less appealing for some.

Company Overview

Sportingbet Logo Sportingbet is an online betting company launched in 1998 by Mark Blandford and Geoffrey Wilkinson with an investment of £200,000. Before founding Sportingbet, Mark Blandford was a traditional bookmaker, owning a bricks-and-mortar bookmaking business for over 15 years. In 2001 Sportingbet floated on the London Stock Exchange Alternative Investment Market (AIM). In the 3 years following its flotation, they saw sales shoot up from £600,000 to over £300 million. In 2006 Sportingbet's British Chairman Peter Dicks was arrested at JFK Airport in New York. Louisiana is one of a few US states with recent laws explicitly prohibiting online gaming. Following this controversy, Sportingbet sold all its US-facing sports betting and casino businesses to a group of private investors for R\$1. In 2010 Sportingbet moved up to the main market on the London Stock Exchange. A takeover by William Hill and partner GVC Holdings was announced in October 2012 for £530 million. They are currently licensed by LC International, part of the Entain Group, the new name for GVC Holdings. Sportingbet offers sports betting on over 90 sports offering 30,000 bets daily. Football betting is their most popular product, and they offer betting on every major football league worldwide, with over two-thirds of revenue coming from in-play betting. They operate several websites. Sportingbet wholly owns the largest, but they also offer a service similar to a franchise in which independent operators can license the Sportingbet centralised software, trading and customer services and receive a portion of the profits their customers generate.
