Elephant King Slot Machine

Elephant King is an online video slot by IGT which takes you to the heart of the African savannah. Played at 5 reels and 40 fixed paylines, the slot machine is home to icons depicted as elephants, rhinos, zebras and gazelles while spades, clubs, hearts and diamonds make up the lower ends of the paytable.

During the game, two special symbols will enhance your odds of winning. The shield with spears stands for Wild which acts as a substitute and completes your winning combos by replacing all regular symbols. Wild shows up only on three central reels, though. The Elephant King is Scatter and it stomps on the reels 1, 3 and 5 exclusively to cover them completely and trigger the Prize Disk feature.

Once at least one Elephant King Scatter hits the reels, the Prize Disk feature is unlocked and each of the triggering symbols delivers a prize or activates the Free Spins Bonus feature. The feature grants 10 free spins for each triggering symbol, so you can end up with up to 30 free turns in total. During free games another special symbol lands on the reels. It is Extra Spins symbol and whenever it hits the reels, you will get 2 additional free games.

What's

more, Elephant King Scatter can show up on all the reels within the feature, meaning that you can obtain even more free spins, or up to 250 free turns to be exact, and more cash prizes. During free games, all animal symbol pay doubled prizes. Whenever you trigger the Prize Disk feature, you will win a prize displayed above the respective reels.

The top paying icon in the main game is the elephant awarding 500 coins for a five of a kind combo. However, during free spins, another paytable is in play with five

elephant symbols awarding a 1,000 coin prize. The maximum possible payout you can hit across 40 paylines stands at 20,000 coins in the base game, while during free games you can win as much as 40,000 coins in a single spin. Even if you don't trigger free spins, you will get paid once the Prize Disk feature is activated. These cash prizes go all the way up to 10,000 coins.

In terms of its visuals, the game nicely conveys its theme with the African animals populating the reels. The palette includes golden and brown accents and the reels are set against the savannah in sunset which adds to the overall appearance of the game. You will see dry soil and acacia trees behind the reels that are shaken when the impressive Elephant King stomps on them. While the base game may seem a bit boring, once the Elephant King is approaching the reels, you will hear trumpeting which announces his appearance and the feature that will be activated subsequently. However, you should keep in mind that this is a land-based machine optimised for online and mobile play, so you should expect decent graphics and animations or a typical IGT affair, to put it simple.

IGT introduced the Prize Disk

feature with the Elephant King slot thus making it unique. Given that the feature requires only one triggering symbol, we really enjoyed activating it quite frequently and winning cash prizes and free spins. During free spins, things get even more interesting with Scatters appearing on all the reels and high-value symbols paying all prizes multiplied by 2x, so you should consider giving Elephant King a slot and see if you can please this magnificent animal to help you win big. The game brags an RTP of 96.02%, which makes it worth your attention definitely.
