Jane Asher: A Versátil Actriz y Empresaria

Jane Asher, una actriz y empresaria británica, recientemente habló sobre una variedad de temas, desde sus preferencias culinarias hasta su carrera y opiniones sobre la actuación.

La Torta Perfecta de Jane Asher

Al ser preguntada sobre qué tipo de torta la representaría, Jane Asher respondió que elegiría un pastel de jengibre oscuro y húmedo, similar al tipo jamaiquino. Ella desea que esté lo suficientemente húmedo y decorado con glaseado, quizás con máscaras de teatro y adornos de pantalla de televisión para representar su carrera en el escenario y la pantalla.

El Paso del Tiempo y los Cumpleaños

Cuando se le preguntó sobre cómo se siente acerca del paso del tiempo y los cumpleaños, Jane Asher compartió sus pensamientos sobre cómo las preocupaciones cambian a medida que envejece. En su ancianidad, ella se preocupa por cómo se sentirán sus seres queridos en su funeral y cómo se ocuparán de su muerte.

Entendiendo a los Personajes

Al discutir sobre interpretar personajes, Jane Asher expresó que no necesariamente le gusta el personaje, sino que es importante comprender su punto de vista. Ella ha interpretado a personajes desagradables y fascistas, y para hacerlo, debe poder ver el mundo desde su perspectiva.

Regresando a los Días de Oro

Cuando se le preguntó sobre si volveríamos a ver la positividad, la movilidad social y el optimismo que había en el Reino Unido cuando comenzó su carrera, Jane Asher dijo que, si bien es fácil sentirse deprimido sobre el estado del mundo, hay muchas cosas maravillosas sucediendo. Ella es optimista sobre el futuro y cree en el poder de la ciencia, la medicina y la IA.

Volver a los Escenarios

Después de actuar en producciones tan demandantes como "The Circle" de Somerset Maugham, Jane Asher se relaja con una copa de vino y una cena ligera mientras ve la televisión por la noche. Le gusta desahogarse con su esposo, Gerald Scarfe, sobre el espectáculo y sus desafíos.

Kaliane Bradley: A Rising Star in the Literary World

Kaliane Bradley is a name to watch in the literary world. She has just published her first novel, "The Ministry of Time," a time-travel romance cum sci-fi comedy set in near-future London. The novel has received praise from writers such as Eleanor Catton and David Nicholls and has a TV adaptation in the works.

From Walthamstow to the World

Bradley was born and raised in Walthamstow, east London, where she still lives with her partner and cat. She grew up in a multicultural household, with a British father and a Khmer mother who moved to the UK during the Cambodian civil war. She spent her childhood sharing a bedroom with her twin sisters and her half-brother while her parents rented out the house.

"The Lucky Jumper" and The Ministry of Time

Bradley wrote "The Ministry of Time" by accident, as she puts it. She had been working on a "thankless, loveless" project for years but found herself drawn to time-travel stories during the pandemic. She immersed herself in the TV series "The Terror" and became fascinated by Lt. Graham Gore, a man of "great stability of character and sweetest of tempers." This fascination led her to create a "nerdy literary parlour game" online, which eventually turned into the novel.

Character

Lt. Graham Gore

Lieutenant from the battle of Naseby

Beautiful, foul-mouthed lesbian from the great plague of London

Unhappy aristocrat from the French Revolution

Soldier from the first world war

Bridge

A young British-Cambodian woman

To be determined

To be determined

To be determined

To be determined

In "The Ministry of Time," Bradley explores the experience of immigrants in modern Britain by placing "expatriates from history" in modern London. She uses time-travel as a metaphor for the assimilation of immigrants into British society, as they are told they must assimilate, have certain values, and be productive for society. The hilarious and sparky one-liners afforded by the time-travel conceit make the novel a fun and thought-provoking read.

"Maybe this is the British-Cambodian novel I was supposed to be writing."

Through Gore, Bradley found a way to express her mother's past and the inherited trauma of Cambodia's history. Gore's realization that "they are all dead" and the world he knew is gone is a poignant reflection of the trauma experienced by refugees and immigrants. While Bradley has no plans to give up her day job, she is already deep into her second novel, an extension of her prize-winning short story.
