### mr bet jack

GCnVA ,

I've played for a little over a year. It was good in the beginning but has gone downhill fast. I play daily (at least the challenges) ant it took me a year to get aboveR\$400 million. Of course nearly half of that was daily giveaways. The themes are fun but like I said the winning percentage is atrocious and makes the games not fun. For example, there are several slots where you will not win unless you hit a bonus round. ( I consider winning making over your original bet, not "winning"R\$500 on aR\$10,000 bet) I have played daily challenges where the goal is one bonus round. I'll put it on auto play and loseR\$30 million in under an hour (onR\$50k/bets) and still not hit a bonus round. I've received daily notification for 30 free spins and won absolutely nothing. Why would you promote free spins on a game and the game pays exactlyR\$0 onR\$300k in spins? Finally, all you really need to know about how little these games pay out is to look at their weekly "jackpot happy hour" that starts Thursday evenings. This is where jackpots are easier to get on select machines and it runs until 1500 jackpots are won. It keeps a counter of wins in the upper left of the game. It almost always last to Saturday afternoon and sometimes we'll in to Sunday. Really? If it's easier to win a jackpot on your most popular machines during happy hour what do you think the odds are on the rest? Junk.
