What is Betfair?

Betfair is a popular online betting platform that operates differently from traditional sportsbooks. Instead of betting against the bookmaker, Betfair connects users so they can bet against each other. Its user-friendly interface and wide range of sports and games make it a top choice for both amateur and experienced bettors.

Does Betfair Limit Users?

There has been controversy regarding this topic. Accusations about Betfair limiting successful bettors have contributed to uncertainty among users. Although there is a maximum deposit limit, the platform states that they do not limit users merely for being successful. To clarify, Betfair applies limits only to users who exceed the maximum winnings for certain sports, such as baseball, cricket, and golf – limited to R\$ 4.000.000.
