What are my opponents' tendencies? What are the board textures like?" See, the beauty of 3-betting is that it's like putting yourself on a poker recess test. You are putting pressure on your opponents and making them answer to the 64 million dollar question - is their hand strong enough to continue? That's the magic of 3-betting. But, it's important to note that 3-betting is situational. There are different strategies for different games. According to Upswing Poker, "In small ball games, (1-2, 36 or 6max)1, the minimum defense frequency against aggressive opponents is 32%. Versus PASSIVES, the number jumps up to an alarming 52%! You have momentum, and everyone is wondering, "What the heck is happening right now? A 3-bet on top of the 3-bet? You sly devil, you've got a full house! Oh baby!" And then the unexpected - you reveal your magic trickery - you played it cool, acted strong and brave, and let them believe whatever they wanted to believe, but you really only had top pair. Congrats! Not only have you mastered the art of deception, but they'll remember you as the *duda de baldassss0*, playing mind games like Gandolf in World War II - "you shall NOT pass!" Remember, folks, misusing your 3-bet powers is like wanting to be Gordon Ramsay but burning the meat 3r than Alec Guinness.
