Grand X Slot

The Grand X Online Casino is one of the most popular casinos in the world, a place where high-society mix with high-rollers in a cauldron of casino excitement that includes Cards, Roulette and Dice. The great news is that "Grand X" the online slot from Amatic is bringing you the best of the Grand X Casino - and more! You can win prizes for playing all sorts of casino games, but it's the bonuses that give it that "and more" quality with bonus games including Grand X Wilds, a Bonus Wheel, and a Double Prize Feature.

Like any good contemporary casino you can also play this slot in the mobile slot version via your favourite latest and greatest mobile gadgets, whilst with stakes starting at just 10 coins a spin it's cheaper than a seat at the real Casino X casino.

The X Factor

This game is all about the winning of big prizes which, handily, when it comes to dishing out big prizes – this game certainly has the X Factor.

Casino Cash

If you're expecting to walk out of the Grand X Casino with loads of cash – you better pay attention in regard to how to do it. You can play the games in any order you choose, but the lowest win ratio is by playing cards – though even they can win you up to 10,000 coins. If you specifically play Blackjack you can boost your card winnings up to 20,000 coins, which is the same as for playing lucky 7s. For every roll of the dice you can potentially win 50,000 coins, whilst every spin of the roulette wheel could also win you up to 50,000 coins.

All the elite members of the Grand X love to go Wild, and this game embraces that with a special Wild X Symbol which has been given the power to substitute for all other base game symbols in a bid to create even more prizes. It can also award instant prizes of an amazing 500,000 coins.

There's also a Bonus Symbol which can award you a special invite to the Bonus Wheel on which every spin will award you a prize. There's also a special "Double" feature which allows you to respin the wheel and double the prize you win on that spin.

If you're still in the mood for gambling when you've won a prize – then you might want to head to the Gamble Feature where you can try and double or quadruple your prize. Double it by predicting whether a playing card will be red or black. Quadruple it by predicting whether the card will be a heart, diamond, spade or club.

Strategic Spins

Most players like to have a strategy at the casino, and staking this slot is no different. You do have to play the 10 set play-lines, but you can stake them with between 1 and 100 coins a spin,

meaning a minimum spin of 10 coins and a maximum spin of 1,000 coins – the choice is yours!

X Marks The Spot

With loads of casino games to enjoy, big prizes, and fun bonus games – Grand X will hit the spot every time.
