### Bull Fiesta Review

Pragmatic Play are a hard-working company that provides us with new releases on a regular basis. We're happy 5 to go through all of them, so we're happy to go through Bull Fiesta as well. It's a classic slot 5 in most regards, but it has more gameplay features than you'd perhaps expect. We'll go through them later on, though. 5 For now, let's start by saying that the playing field consists of 5 reels, 3 rows and 25 paylines.

Visually, Bull 5 Fiesta is incredibly colorful, with lush colors and a great atmosphere that you can easily sink into. It's so easy 5 on the eyes that we fell in love with the graphics as soon as we saw them. Pragmatic Play just 5 know how to design these great-looking slots and we're happy to applaud their efforts here!

The mathematical mode has a medium 5 volatility level, with a good 2,500x jackpot that you can win in the Money Respin feature. The betting range caters 5 to everyone, too. While the min bet will have you play for just £0.25 per spin, high rollers can stake 5 up to £250 on any spin (though this might differ across online casinos). The theoretical RTP of Bull Fiesta is 5 then bang on average, clocking in at 96%.

### Bull Fiesta Slot – Reels Screen

### Bull Fiesta Slot Features

There are 8 pay symbols 5 in Bull Fiesta, 4 low pays and 4 high pays. For low pays, there are colorful card ranks, which go 5 from Jacks to Aces. All card ranks pay the same, up to 2x your bet for a winning combination. The 5 high pays are then more thematic, showing pinatas and three charismatic characters. Treadors pay the most, as a five-of-a-kind combination 5 of them is worth 20x your stake.

In terms of special symbols, there are Bull Wilds, Guitar Scatters, and Flower Money 5 Symbols. While the latter are there to trigger the bonus feature, Bull Wilds can substitute for other symbols and help 5 you create winning combos. They are also worth the same as treadors and pay 20x your bet for 5 symbols 5 in a winning combination.

If you get 3 Guitar Scatters on the reels, you'll trigger the Free Spins feature with 5 5 free spins. That's not a lot, but you can get 3 extra free spins by finding 3 additional Guitar Scatters 5 on the reels. The main kicker, though, is that the middle three reels spin together during free spins, showing giant 5 3x3 symbols!

Flower Money symbols are present on all reels and they can carry either a money value or a jackpot 5 value (Mini or Major). If you land 6 or more Flower Money symbols, you'll activate the

Money Respin feature. This 5 is basically a Hold and Win feature by another name, which means that all Flower Money symbols get locked for 5 a total of 3 respins. You can also reset the tally by finding more Flower Money symbols and it all 5 ends once you either run out of respins or fill the entire board with Flower Money symbols. Then, you'll collect 5 all values in view, which can include the Mini jackpot (worth 30x your bet) and the Major jackpot (worth 100x 5 your bet). If you fill the board entirely, you'll also win the Mega jackpot (worth 1,000x your bet).

Bull Fiesta Slot 5 – Money Respin Feature

Review Summary

Although Bull Fiesta doesn't bring anything new to the table, its colorful graphics and two major 5 features combine to create a great experience overall. There are simply no minuses in the package, so we can give 5 Bull Fiesta a general recommendation. If you're into Spanish-themed slots, pay Bull Fiesta a visit as soon as possible!
