A bonus is a financial compensation that is above and beyond the normal payment expectations of its recipient. Bonuses may be awarded by a company as an incentive or to reward good performance. Typical incentive bonuses a company can give employees include signing, referral, and retention bonuses.

## [pokerstars bonus](#)

Bonuses are a type of compensation paid to an eligible employee in addition to a previously set hourly wage, contract amount or annual salary. While many companies provide bonuses in the form of cash, a bonus can take any form as long as it provides value to employees as well as the organization.
