Z-Raid is a multiplayer tower defense game where your objective is to deploy different types of special guns to protect your base from hordes of zombies. For the longest time, the Zombinium Factory has conducted secret experiments, but something has gone wrong lately... The explosion has spread a suspicious purple substance everywhere, a substance that turns people into zombies! Play as a regular person trying to survive: mount turrets, level them up, upgrade your hero, compete in the arena, win tournaments and survive all the raids against real players! Go ahead and share Z-Raid with your friends and live through this exciting zombie adventure together!

How to play Z-Raid?
