#### Plunderland Slot Review

Join Alice, the Red Queen, and Mad Hatter in the delightful

Plunderland online slot. This desktop and mobile game features all your favorites from the tales of Alice in Wonderland. Head down the rabbit hole, where you find magical features like tumbling symbols, a growing wild symbol, multipliers, and a free spins bonus round.

Head to Wonderland

Let the White Rabbit be your host as you play the

Plunderland slot online. This charming character wears a blue suit and carries a pocket watch, but he's one of several famous symbols in this slot from Relax Gaming.

There's a

pleasing cartoon style to the characters, and flowers add a splash of color to the 7x7 grid. An animated Alice sits in the garden behind the reels, while a whimsical tune provides a suitable soundtrack to the game as you play it at the best real money slots sites.

Build the Cartoon Clusters

Play Plunderland for free here at VegasSlotsOnline,

then claim real prizes for stakes of 0.10 to 100.00. You can buy into the free games feature for 70x. It's a cluster pays game where you win these minimum and maximum bet multiplies from matched symbols in blocks of five to 32 –

Symbol Flowers Alice, Mad

Hatter Red Queen Minimum Cluster of Five X0.2 X0.5 X0.5 Maximum Cluster of 32+ X70 X150 X500

You'll find a high level of volatility here, although the generous average returns of 96.43% make up for any gaps between winning spins.

Any symbols in a win vanish from

the reels, and new ones drop down to replace them, and this feature runs for as long as you form new clusters.

Follow the Wild Rabbit

Although the rabbit does pay anything,

he's a special wild symbol who acts as others when needed and is key to the extra

features of the Plunderland slot machine. He appears on every spin and moves around the reels throughout any series of winning cascades.

If the wild reaches a Hot Spot in the center of the grid, he locks in place, and grows as if by magic on any further cascades in the series. The rabbit disappears if he's part of a win, then reappears in a random spot. A multiplier also increases by 1x until he helps to complete a cluster.

Pocket

watch scatter symbols launch six free spins of the Plunderland online slot reels. White rabbit expansions and multipliers stay active throughout this rewarding feature.

Agent of Hearts slot from Play'n GO, and the Alice in Wonderslots game by Playson.
