To start betting on cricket and other sports, you only need to register and deposit. When you get your winnings and want to withdraw them to your bank card or e-wallet, you will also need to go through a verification procedure. It is necessary for the bookmaker's office to be sure that you are 18 years old, that you have only 1 account and that you play from the country in which it operates. In addition, once you confirm your identity, there will be complete security of the funds in your account. You will be able to withdraw them only with your personal details.

What you need to do to pass the verification:

Fill in the data in the personal cabinet. Open your profile settings and enter personal data in all empty fields. Use only real information that corresponds to your documents; Send scans or photos of your ID card. Attach through your personal account or send high quality scans or photos of your passport or driver's license by e-mail to the support service.

The identity verification procedure at 1win usually takes 1 to 3 business days. After successful verification you will receive a notification by mail.
