Background

Rafael was born and raised in São Paulo, Brazil. He grew up in a close-knit family and was the youngest of three siblings. His parents were hardworking and instilled in him the importance of working hard and having a strong sense of determination. From a young age, Rafael was fascinated by numbers and patterns. He enjoyed solving puzzles and brain teasers, and he did well in school, particularly in math. He pursued a degree in engineering and landed a job at a reputable construction company after graduation. However, his passion for numbers did not stop there. He found himself drawn to the world of lotteries and gambling. He saw it as an opportunity to win big and change his life for the better.

The Journey

Rafael's lucky bet on Super 5 happened on a typical Wednesday evening. He had just gotten home from work and was browsing his social media when he came across an ad for Super 5. He had seen the ad several times before but had never felt compelled to try it out. However, this time, something was different. Maybe it was the promise of a possible R\$ 2,700 prize or the simple fact that he had nothing better to do that night, but Rafael felt a sudden urge to give it a try.

He went on to the website, signed up, and immediately made a R\$ 50 deposit. Assisted by the welcome bonus, Rafael had a total of R\$ 150 to make his first bet. He felt a thrill of excitement as he marked the 5 numbers he had chosen. It was a mix of birthdays, anniversaries, and numbers that he had always found significant. He clicked the "Place Bet" button and waited anxiously for the results.

The lottery draw happened the next day, and Rafael couldn't wait to see the outcome. He nervously opened the website and checked his ticket. He matched 4 of the 5 numbers, and it paid R\$ 2,200! Rafael was over the moon with happiness. He couldn't believe it - this was the highest amount he had ever won playing the lottery. Rafael celebrated with his family. He took them out for dinner at a nice restaurant and shared his winnings with them. It was a night to remember.

Reflecting on the Experience

Looking back, Rafael realized that his success with Super 5 had come from a mixture of luck and strategy. He analyzed his moves and realized that choosing birthdays and anniversaries had helped him win. He also took notice of those close to him (his family and colleagues') birthdays and anniversaries to incorporate them into his strategy. He also kept tab of his progress as well.

Insights, Psychological Analysis and Market trends

Studies have shown that people generally choose birthdays and other memorable dates when playing lotteries. It gives a sense of control and almost tempts fate to bring prosperity. Rafael had inadvertently used a variant of the confirmation bias psychological principal. He chose anniversaries and birthdays which granted him success — and that planted in his head that it would continue to do so, and he continued to use this method there on out.

Market trends indicate that aposta esportiva has a growing tendency of becoming "Main Stream" so taking the leap and creating/ joining aposta shops is a profitable business as time goes on
