About Murder Online

Studio Seufz is the creative force behind the experimental video game Murder, a gripping experience that delves into the themes of power, trust, and greed. In this game, you step into the cunning role of a vizier with ambitious aspirations to claim the throne of the monarch. As you navigate a world filled with stealth, strategic decisions, and an unrelenting pursuit of control, your journey will challenge your capacity to find equilibrium between trust and mistrust in this action-packed adventure.

Gameplay Murder Poki Game

In the game Murder, there's a funny and slapstick one-button trick. Your goal is to become the king by secretly assassinating the current monarch. You begin the game as an assassin, and your job is to sneak up on the king and eliminate him without being noticed. The king is watching you, so you need to be very careful. To make your assassination move, hold down the space bar quietly and charge it up.

If you manage to assassinate the monarch, you become the new king and take on the responsibilities and dangers that come with the crown. Now, your job is to stop others from harming you in the same way. You'll need to use your skills, stay alert, and watch closely for possible assassins. Even a cough, a blink, or a strange movement could be a sign of someone trying to assassinate you.

Features of Murder Poki Game

Murder is a game that combines humor with serious themes. It may seem funny at first, but it explores important concepts like power, trust, and distrust.

In the game, you can play as both the King and the Assassin. Your initial goal is to assassinate the king. If you succeed, you become the king and must

defend yourself from others who want to do the same.

The game is controlled with just

one button, which you use for actions like looking behind you as the king or charging your attack.

Murder provides visual and auditory cues to help you. For example, if the king coughs, blinks, sniffs, or turns his attention behind him, it means he might be about to turn around.

There are various characters in Murder, each with their own unique murder techniques. This adds depth and intrigue to the gameplay.

To assassinate

the king and maintain your power, you need to use strategy and act quickly. Every decision you make, such as when to attack or defend, affects the game's outcome.

Murder

promises an immersive and thought-provoking gaming experience thanks to its simple controls, engaging story, and intense power struggles.
