According to our research and estimates, Bet2U Casino is a smaller online casino revenue-wise. The revenue of a casino is an important factor, as bigger casinos shouldn't have any issues paying out big wins, while smaller casinos could potentially struggle if you manage to win really big.

We currently have 45 complaints about this casino in our database. Because of these complaints, we've given this casino 12,743 black points in total. You can find more information about all of the complaints and black points in the 'Safety Index explained' part of this review.

Warning: Bet2U Casino has aR\$20,000 daily net win limit. This means that you can't win more thanR\$20,000 in one day, with the "net win" being calculated as the difference between the sum of your wins and the money you've wagered. If you win more, you will not get the money exceeding the limit. We consider any win limit to be extremely unfair to players, which is why we penalize any casino that has implemented it, unless the win limit is enforced by third-party factors, such as local regulations.

Based on the information we've collected and assessed in our Bet2U Casino review, it has a Very low Safety Index. We don't recommend playing at it and strongly advise you to stay away from it.
