Game Features

Tumbling Reels

Symbols in winning combinations are removed and new symbols drop down to fill their spaces. The tumbling continues for as long as there are new winning combinations. Each tumble win is added to the total win.

Expanding Play

Area

Each round in the base game starts with a varied play area. Every tumble that creates a winning combination will expand the play area by opening up 4 randomly selected locations in the locked area and reveal the symbol underneath. The expansion continues for as long as there are new winning tumbles.

Varied Play Area

During the

base game, on each spin, the amount of locked/hidden symbols will change, while always having 3-5 symbols available for the players on each of the 6 reels.

Wild

The Wild

symbols substitute for all symbols except the Bonus Scatter symbol.

Truck Raider

Bonus

If there are 3 or more Bonus Scatters in the base game, the Truck Raider Bonus game will be awarded. If there are more than 3 Bonus scatters, the Truck Raider Bonus game will start with one extra Expander symbol per additional Bonus Scatter.

All

symbols in the Truck Raider Bonus game display their value in multiples of the base bet in the game.

The bonus game will start with 3 spins awarded. For each spin, new Cash

Stack and/or special symbols can appear. New symbols remain for the entire Truck Raider

bonus game unless removed by a feature.

If one or more new symbols land on a spin, the spin counter is reset to 3. Otherwise, it's decreased by 1.

At the end of the Truck

Raider bonus game, the player will be awarded the sum of all the current symbols multiplied by the bet.

*If any of the 3 scatters is a Super Scatter, a Super Bonus will be rewarded in place of the normal Truck Raider Bonus. During the Super Bonus, the Super Scatter will be automatically converted into a Super Feature (Booster, Grabber or a Doubler).

Compressor

Base Game Compressor

Once activated the feature removes all the symbols from the screen (scatter and wild remain) and awards a re-spin. After the consequent tumble, once no wins are awarded, the compressor symbol will be removed taking the surrounding symbols with it.

Bonus Game Compressor

Grabs and collects the

value of all the existing "Cash Stack" symbols from the play area and removes them from the screen, creating more open area again.

Cloner

Base Game Cloner

Once activated, the

Cloner selects 4-8 random existing symbols on the screen and converts them all into one existing symbol from the first reel.

Bonus Game Cloner

The Cloner identifies the

current symbol with the highest value, grabs it and locks it to itself before copying it over to 1-3 new empty positions.

Special Symbols

Expander: The Expander symbol

unlocks 3 randomly chosen locations from the locked area.

Booster: The Booster symbol

adds its value to all other symbols in the unlocked play area upon landing.

Super

Booster: The Super Booster symbol adds its value to all other symbols in the unlocked play area upon landing, and on every spin after that for the duration of the bonus game.

Doubler: The Doubler symbol doubles its value each time the spin counter is reset to 3.

Grabber: The Grabber symbol adds the value of all other symbols in the unlocked play area to its own value upon landing.

Super Grabber: The Super Grabber symbol adds

the value of all other symbols in the unlocked play area to its own value upon landing, and on every spin after that for the duration of the bonus game.

Target Eliminated: A

total win of 35,000 x the bet will end the Truck Raider Bonus game and the player will be paid 35,000 x the bet.

Buy Feature

Pay to get instant entry to the bonus game! The

Buy feature can be activated from the Base Game.

For a cost of 85x the base bet, you

can buy entry to the Truck Raider Bonus game with a guarantee of at least 3 Bonus

Scatters.

For a cost of 250x the base bet, you can buy entry to the Truck Raider Super Bonus game with a guarantee of at least 3 Bonus Scatters. One of the scatters is guaranteed to be a “Super Bonus” scatter, which will be converted into a Doubler, Super Grabber or a Super Booster in the beginning of the bonus round.
