—:

A trader is an individual who engages in the buying and selling of assets in any financial market, either for themselves or on behalf of another person or institution.

**a roleta decide**

A trader is a person who either buys goods and resells them, like a merchant who runs a store or a person who buys and sells stocks and bonds. The original meaning of trader was "one engaged in commerce," meaning someone who makes a living buying things and selling them at a profit.
