The first performance of the 5th symphony was on December 22, 1808, at the Theater an der Wien. It was conducted by Beethoven himself and featured a group of musicians gathered specifically for the concert. The symphony is approximately 30 minutes long and divided into four movements. The first movement is fast and energized, setting the stage for the rest of the symphony.

What many people don't know is that Beethoven was struggling with both depression and a debilitating illness while composing this masterpiece. He was unable to hide his condition any longer, yet he was determined to create something truly remarkable. And so he did, creating a symphony that is iconic and instantly recognizable, even to those who are not familiar with classical music.

The 5th symphony is considered one of Beethoven's greatest works and has earned its place as one of the most performed symphonies in the world. In fact, it is the most famous symphony by Beethoven, followed closely by his 9th symphony, which is a choral symphony and one of the most well-known pieces of music in the Western repertoire. It is often considered both a culmination and a precursor of Romantic music and is considered one of Beethoven's greatest works of art.

I have had the privilege of seeing the 5th symphony performed live in São Paulo's Theatro Municipal, and it was an experience I will never forget. The energy and emotion of the performance were electric, and I could feel the power of Beethoven's music flowing through me. If you ever have the chance to see a performance of the 5th symphony, I highly recommend it. It is a powerful and moving experience that will stay with you long after the final notes have faded away.

## Joe Biden anunciará hoy un centro de IA de 3.3 mil millones de dólares en Wisconsin

Buenos días,

El presidente de los 9 EE. UU., Joe Biden, visitará el estado clave de Wisconsin hoy donde se espera que anuncie un centro de IA de 3.3 mil millones de dólares de Microsoft.

La visita de Biden a Racine no solo marcará su cuarta visita a Wisconsin este año, sino que también contrastará al presidente con el expresidente Donald Trump, quien prometió una fábrica Foxconn en el mismo lugar hace seis años, la cual nunca se concretó.

Mientras Biden se prepara para su próxima visita, los abogados de Trump parecen haber logrado una victoria después de que la juez federal Aileen Cannon pospusiera indefinidamente el juicio de los documentos de Mar-a-Lago de Trump en Florida el martes. La decisión de Cannon de que el caso aún no está listo para ser presentado ante un jurado favorece a Trump, quien ha estado tratando de retrasar sus casos penales en la esperanza de ganar las próximas elecciones presidenciales y nombrar a un fiscal general leal que pueda ayudar a retirar los cargos.
