Eleições no Irã: o véu islâmico torna-se tema de campanha

Officials Iranian insisted for decades that the law that obliges women to cover their hair and dress modestly was sacred and not worth discussion. They dismissed the women's struggle that defied the law as a symptom of Western interference. Now, as Iran holds a presidential election this week, the issue of the mandatory veil, as everyone knows, has become a campaign hot topic. And all six candidates, five of whom are conservatives, tried to distance themselves from the methods of law enforcement, which include violence, imprisonment and fines.

Um assunto delicado

The Islamic veil is a symbol of religious identity, but it has also been a political tool in Iran. And women have resisted the law in different ways since it came into **bwin download poker** effect after the Islamic Revolution of 1979.

Uma conquista simbólica

Although it is unlikely that the law will be annulled and it is still unclear whether a new president can soften its application, some women's rights activists and analysts in Iran say forcing the issue during the elections is **bwin download poker** a symbolic victory. It shows that the "Women, Life, Freedom" civil disobedience movement, which began almost two years ago, is being ignored.

Um assunto de campanha

During a live television debate on Friday about social issues, women and the veil were the dominant topics of a four-hour marathon. The issue also became **bwin download poker** a campaign theme that seems to be targeting female voters and **bwin download poker** cities **bwin download poker** all over the country.

Enormous clouds of smoke, in the middle of the late Sunday evening darkened the sky above the capital as 10 groups "forest commandos" supported by bombers and helicopters (and engines) tried to extinguish a fire fueled by strong winds. The fire also joined the struggle near the Varnava neighborhood, about 35 km north of the city... [Leia mais]

"Forças estão sendo continuamente reforçadas, mas enfrentam chamas que **bwin download poker** muitos casos excedem 25 metros", disse o porta-voz da brigada de incêndio Vassileios Vathrakogiannis.

Enquanto um incêndio no oeste da Ática tinha sido controlado, uma segunda chama a nordeste de Atenas ainda não estava contida. Ao cair do anoitecer o inferno foi relatado para correr **bwin download poker** direção ao leste com os esforços dos aviões que caem água estagnados pelos ventos poderosos : pelo menos 10 comunidades perto Varnava tinham foram evacuadas -e bombeiros eram esperados continuar durante toda à noite;
