this casino is the worst you can ever deal with let me warn 9 you If your one of the lucky ones and they leave you alone great but if they choose you to 9 harass then they call you and ask you all these questions as if your not old enough to decide how 9 to spend your money They make up things and keep in mind it took them 1 month to verify me 9 with two different dep with different answers one emailed me saying all is good and the account was still restricted 9 then another 3 weeks passed by when I finally got verified only to get an email 3 weeks later saying 9 they had to question me as soon as I answered all their answers which was very invasive getting into my 9 business trying to find out what I have in the bank next day my account is restricted again they are 9 crazy and fraud guess what I hardly even play with them really I have my favourites and theirs is not 9 one of them they are not good casino fraud and the only thing I liked about them is they pay 9 out within 2 hours but after restricting my account and the autheration with the cell phone very 2 minutes is 9 not a good casino
