12Bet horse racing offers win and place markets for featured United Kingdom race meetings. The lay out of the site is good, with the next three races to start shown first. Then, today's races are listed, with results available for the races that have finished for the day. There is also a tab for tomorrow's races too. On each race, the racecard is listed as well as the opportunity to place forecasts/tricasts. Interestingly, the site also offers Best Odds Guaranteed on all UK and Irish horse racing, so they will give you the better price between the price taken when the bet was placed and the Starting Price (SP).
