Golden Gate Slot Review

By pressing play, you agree that you are above legal age in your jurisdiction and that your jurisdiction allows online gambling.

Golden Gate

Those of

you who had a chance to visit San Francisco know how special this Californian city is. Seeing the famous Golden Gate Bridge in person is an incredible experience, and this video slot will surely increase your desire to visit San Francisco. Merkur Gaming's video slot is inspired by The Golden Gate, which connects San Francisco Bay to the Pacific Ocean. Spinning 5 reels and waiting for amazing symbols to land on 10 paylines will keep you entertained. Join this sunny adventure and win some amazing prizes.

Welcome to San Francisco!

As you enter this fantastically designed video slot, you'll immediately start California dreaming, and remember that dreams do come true once in a while. The colors of Golden Gate video slot are perfectly blended together and they bring out positive mood. The sunset over San Francisco and fascinating Golden Gate Bridge will put a wide smile on your face. The soundtrack is also very cheerful and animations are absolutely great. The entire vibe of this game is casual and you'll enjoy it if you don't like tense games. When it comes to symbols, you'll see a red fire truck, a blue Cadillac, an orange tree, and lanterns.

Creating winning combinations of

these symbols will make you love San Francisco even more. If you're having trouble with that, The Golden Gate Bridge, also known as the Wild symbol, is always there to help you out by stepping in for a missing symbol. The only symbol it can't replace is the Scatter, represented by a Cable Car. The low paying symbols are colorful playing cards A, K, Q, J.

Cross the Bridge Three Times for Luck

Golden Gate video slot is

recognizable by its Max Win Lottery and if you're lucky enough, triggering this feature will make you celebrate the day you decided to visit San Francisco and cross the Golden

Gate Bridge.

As we all know, the Wild is a special symbol helpful when it comes to forming winning combos. You'll be happy to hear that your winnings will be doubled once this symbol performs its magic.

Another special symbol is involved in triggering a special feature we already mentioned, and it's called Max Win Lottery. By landing 3 Scatter symbols, you'll receive a massive cash prize!

Finally, a well-known gambling game called Card Gamble is also available in Golden Gate video slot. It can be played after each win in order to double your winnings. If you make a mistake while choosing the color of the next card, you'll lose your stake, so be careful.

Great Cities Offer

Great Opportunities

Golden Gate video slot is a game based on an amazing city filled with breathtaking scenery. San Francisco is a place easy to love and very hard to leave, and this slot may feel the same. It's authentic with its design, animations, and soundtrack. The special feature may not be that interesting, but giving that you can win the lottery and you have a chance to double your winnings, we can say they are more than good. Let this magical city charm you so you can take home beautiful memories and great prizes!
