Wilhelm Tell

Save the day in Yggdrasil's new 20-line slots game Wilhelm Tell! Go after legendary wins, while trying to free both your son and the nation from the clutches of an evil tyrant! The stand-out feature of the game is Stacked Wilds, which nudge to cover the whole reel whenever there's a win in sight. Free Spins come with a truly epic choice as you can either go for 10 or 5 free spins with a lower multiplier or risk it all with one spin, which comes with a 50x multiplier on whatever you win. Hitting five Free Spins scatters also grants you an additional bounty of 500x your bet size. There's no time to waste – draw your crossbow, take a deep breath and take a shot at the highest prizes in Wilhelm Tell!

Slot Features

Stacked Wild Symbol – All wilds are 3

symbols tall. Wilds substitute for all regular symbols in the game to complete possible wins.

Wild Nudges – Wilds nudge to fill the whole reel if they guarantee a win.

Free

Spins – Land 3, 4, or 5 free spins symbols to win 40 coins plus the free spins bonus.

When you trigger this feature, you'll get to choose from three free spins rounds, each with a different combination of free spins plus multipliers.

Choose your bet size and

number of line to play and then Spin to Win!
