Those radios often caused friction between couples, as men out for a walk were more taken by the broadcast than by their female companion. At least the radios never physically kept anyone from their families; otherwise Sunday would be spent at the stadium or at home in front of the television. Rita Pavone sang about it, scolding her companion for preferring football and leaving her alone; Dino Risi painfully portrayed it in his episodic movie, *The Monsters*, where in the episode *What a Bad Life!*, Vittorio Gassman plays a poor family man who spends what little he has to go to the stadium; Alberto Sordi reiterated this in the memorable scenes of *The Husband and I* know That You Know That I Know.

Church, lunch, and the game are the three pillars upon which the Italian Sunday was built. Three clustered events spaced a few hours within each other: first duty, then necessity, and finally pleasure. Even if it does seem excessive calling it a pleasure, for all the times an afternoon defeat made our baked pasta go down the wrong way and along with it, the entire weekend.

At my parents' house I discovered a drawer full of old pocket radios. I then found an identical one when we emptied my grandmother's house. I was reminded of them present in family photos, with that unintentionally vintage design, often surrounded by an engrossed group of people of all ages, hands cupped around their ears. I remembered afternoons in the mid-nineties when they were still used. As a child I used to take them with me on Sunday outings for the same reason everyone else took them: to follow the ball game.

The cult of the game does not have specific areas of competence, no typical geographical indication, like wine does, but it has always brought people together within its single large leather sphere. From North to South, from the countryside to the big cities, from the mountains to the sea. Those who could went to the stadium, up to the time it was more comfortable to watch matches on TV. Lunch was at home, then down to the bar, until the call of the family became too insistent to be ignored. At that point the pocket radio came in handy.

But like all cultural symbols, fans have had to deal with the progression of the sport's economic sector growing disproportionately in just a few years. The first change was the match schedule: after more than half a century of Sunday afternoon starts, the delay was born. It was the 1993 of great changes, with Italy in political turmoil and television rights becoming a greater feature of the sport. It was the first upheaval of many. In February 2024 the first round of the Series A schedule was split between Friday afternoon and Monday evening, with no match played at the same time. For the older folks this was an outrage. Who knows what my grandparents would have said, used to arriving at Sunday dinner knowing the rankings were already updated. Obviously it was no longer possible to follow games on the radio minute by minute, as I did as a child. My parents were never big fans, but when we would go on our Sunday outings in the car, we listened to the live broadcast on the radio, which started immediately after the iconic theme song, *A Taste of Honey*, by Herb Albert & the Tijuana Brass. And when we went for a walk, I had the trusty pocket radio with me. The excitement was palpable as the reports came from field to field, the format used then by the Rai network for live football events. The reporter was often interrupted by the jingle announcing a goal in another stadium. I clearly remember the sensation I felt seconds before the correspondent would give updates on the match; moments when I hoped news would be about my favorite team but – careful! – also in that moment the opposing team could have scored. I swayed on that swing between relief and disappointment each time, every Sunday.

Eu era uma crítica franca de **brasilsports** candidatura à nomeação presidencial democrata **brasilsports** 2024, ganhando a ira tanto do seu porta-voz na época quanto da notória "KHive" dos fãs terminais online Harris.

Nem derramei lágrimas quando **brasilsports** campanha acabou sendo um desastre e ela terminou se retirando da corrida antes que uma única votação tivesse sido lançada nas primárias. Assim, é com alguma surpresa e relutância que estou escrevendo estas palavras: Joe Biden deve se afastar do cargo de candidato presidencial democrata **brasilsports** 2024.

## La deslizadora de Steven Gerrard hace 10 años abrió la puerta a la inevitable victoria del Manchester City en la 8 Premier League

Casi 10 años después de la famosa deslizada de Steven Gerrard, que le costó el 8 control del destino de la Premier League al Liverpool, el Manchester City aprovechó la oportunidad para llevarse el título. 8

### El dominio del Manchester City, imparable en la búsqueda del título

En las últimas semanas y, especialmente, 8 desde que tanto el Arsenal como el Liverpool perdieron en la jornada anterior, se ha especulado sobre la posibilidad de 8 que el Manchester City cometa un error, algo que, francamente, nunca ha sucedido anteriormente bajo el mando de Pep Guardiola 8 cuando el trofeo estaba al alcance de la mano, con el enfoque más estrecho en la etapa definitiva.

Fecha	Local	Visitante	Resultado
2024-04-22	Brighton	Manchester 8 City	1-4

La teoría, o tal vez solo la esperanza, especialmente del Arsenal, era que el Brighton pudiera 8 lograr un resultado positivo. El equipo de Roberto De Zerbi solo había perdido dos partidos como local en toda la 8 temporada. Aparte del Tottenham fuera de casa, parecía ser el desafío más duro restante en la defensa del título del 8 Manchester City.

El campeón desarmó esa noción de manera devastadora, sentenciando el partido cuando Phil 8 Foden anotó con un tiro libre desviado después de 26 minutos y dejando claro que estaba controlado cuando anotó otro 8 gol justo después del descanso. Sumó brillo a otra destacada actuación individual; Foden ahora tiene 24 goles para el Manchester 8 City esta temporada.
