RotateZ is a simulation game where you add and rotate patterned tiles to reveal various complete {img}. Each level puts you up against another pattern, and there are more than dozens of levels to complete with differing difficulty! Study the patterns and the angles first, and then start placing and rotating your tiles. You can drag and drop a tile in the appropriate slot. In order to rotate it, you can click or tap on it once. If your current arrangement is a match, the game area will be highlighted. This will indicate whether or not you're in the right path. So make sure the entire canvas is highlighted to complete the level. Don't forget to share RotateZ with your friends and see who can finish the game faster!

How to play RotateZ?
