Mexico loves La Lotera Mexicana, a bingo-style game with colorful cards and occasionally matching language. This much-loved game, or juego, rose from being the pastime of social elites to a national phenomenon played by friends and familia at fiestas throughout the country.

As Mexican culture spread across the border, so did the demand for the game within the United States. The original Don Clemente Gallo Loteria game can be purchased today not only in Mexico but also in the United States, and online all over the internet.

### cassino bingo

In most bingo games, there are five ways to win: five in a row, blackout, X, and 4 corners. However, many bingo halls also have special pattern games to keep things interesting. For these special pattern games, mark your cards with a highlighter to help you remember which squares can win.

When a player has a BINGO (5 in a row, column, or diagonal), he or she calls out BINGO. The game pauses while the card is verified. If indeed a winner, the game stops and a new game begins.
