Survival Builder is an idle simulation game where you must survive on a deserted island by building everything from scratch. Start by a simple primitive bamboo and work your way up to the most impeccable house you can imagine. Recruit workers and assign different tasks from brick making, lumberjacking, to as advanced tasks as house building. You are in total control of managing the process to optimize your tribe's workflow and getting the houses built as perfectly as possible. Accumulate coins, get yourself some rewards, and finish building the bamboo houses in each round to unlock more exciting survival houses with surprising features such as a water well, swimming pool, and so on! So grab your tools and join in on the fun!
