Zorbing is also sometimes called globe-riding or sphereing.

The first zorbing event was held in New Zealand in 1994.

Today, zorbing is popular in many countries around the world.

Zorbing is usually done on a grassy hill.

The zorb, or inflatable ball, is placed at the top of the hill.

Ziplining

Ziplining is an increasingly popular activity that offers a unique way to experience the outdoors.

Also known as canopy tour, ziplining typically involves traversing a series of cables strung between trees or other supports, using a pulley system to move from one point to another.

While ziplining can be an exhilarating experience, it also has a number of practical applications.

For example, it can be used as a means of transportation in remote areas, or as a way to access difficult-to-reach locations for research or conservation purposes.

In addition, ziplining can be an effective tool for teaching people about the natural world and promoting eco-tourism.

Whether you're looking for an adventure or a new way to appreciate the outdoors, ziplining is definitely worth trying.
