In Catpad, you play as a cat! And as a cat, you can do regular cat stuff; 3 you can build a tower out of boxes, play memory and sometimes even drive a car at high speeds. As 3 you play, shiny power-up balls will show up. Hitting enough of these balls will put your cat into Fever Mode! 3 In this mode, your cat goes a bit crazy and will start scoring tons of points. This can help you 3 to set new highscores and get new achievements. By getting good scores, you will unlock new items to decorate your 3 cats home with! There's more than 6 games for you to master. Can you and your cat become the perfect 3 duo?
