First things first, what is this Bolao Pixbet, you ask? Well, my friend, it's a complimentary promotion offered by Pixbet that allows players to guess the correct score of a game and potentially win a whopping R\$ 12,00! And the best part? It's free to participate, and there's no need for a promo code!

But wait, there's more! Participating is as easy as pie. Simply guess the correct score of one of the available games on the Pixbet website, and voilà! Now, now, don't get too excited! There are a few rules to keep in mind. You'll need to rollover the bonus amount 10 times, and the minimum odds for the selections must be 4.80 or higher. Don't worry, it's not that hard! Since the rollover applies to all bonuses, the maximum bet with a bounty is R\$ 10,000. It's still pretty good, if you ask me!
