Donald Trump acusa a Joe Biden y Kamala Harris por intento fallido de asesinato en su contra

Donald Trump ha culpado a Joe Biden y Kamala Harris por el intento fallido de asesinato en su contra el mes pasado, afirmando que dificultaron la protección del Servicio Secreto.

La afirmación del candidato presidencial republicano, que no ofreció pruebas, se hizo en el programa de televisión Dr Phil, presentado por Phil McGraw, el martes. Las declaraciones siguen a las revelaciones de que varios agentes del Servicio Secreto de la oficina de Pittsburgh habían sido puestos en licencia administrativa después del tiroteo del 13 de julio.

Contexto del intento de asesinato

Durante un mitin de campaña en Butler, Pensilvania, el mes pasado, Trump resultó herido en la oreja por una bala después de que un tirador de 20 años abriera fuego desde el techo de un edificio cercano. Un asistente al mitin, Corey Comperatore, murió y dos personas más resultaron gravemente heridas. El tirador fue abatido por un agente del Servicio Secreto en el lugar.

Acusaciones contra Biden y Harris

"Cuando ocurrió esto, la gente preguntaría, ¿de quién es la culpa?", dijo Trump a McGraw. "Creo que en cierta medida es culpa de Biden y Harris. Y soy el oponente. Ellos estaban armando al gobierno en mi contra, no estaban muy interesados en mi salud y seguridad".

"Estaban dificultando tener personal adecuado en términos de Servicio Secreto".

Respuesta del Servicio Secreto

El Servicio Secreto admitió en los días posteriores al intento de asesinato de Trump que el equipo de seguridad del expresidente se había quejado de una escasez de seguridad y personal en los dos años anteriores, reconociendo que habían denegado algunas solicitudes.

La protección de Trump ha sido reforzada desde el episodio, con agentes desviados del equipo de seguridad de campaña anterior de Biden.

Renuncia de la directora del Servicio Secreto

La directora del Servicio Secreto, Kimberly Cheatle, renunció después de una audiencia en el Capitolio en la que los miembros republicanos del Congreso la criticaron por no responder adecuadamente a las preguntas sobre posibles fallas de seguridad que condujeron al intento contra Trump.

Falta de evidencia

No existe evidencia de que Biden y Harris, quienes condenaron el intento, estuvieran directamente involucrados o interfirieran con los arreglos del Servicio Secreto.

Biden, quien aún era el candidato presidencial demócrata en ese momento, hizo varias declaraciones públicas en respuesta al tiroteo y llamó a una desescalada del discurso político.

Advantages and Disadvantages of Sports Betting with Apple

Pay Apple is one of the world's biggest companies, founded by Steve Jobs, Steve Wozniak and Ronald Wayne. The company began as Microsoft's main computing rival but since then have evolved into the world's leading brand for mobile phones, with the iPhone emerging in 2007. In that vein, Apple Pay betting companies are a relatively recent addition to the market of available payment methods. Advantages The obvious advantage of using Apple Pay betting sites is the speed of making your deposit. By far the fastest method of depositing is through e-wallets such as Apple Pay and Google Pay, as you don't even have to enter a password if your finger or face identification is set up. This means that your money will be transferred within seconds, a real positive if you are looking to bet in-play and need to deposit quickly so that the odds do not change. Now there really is no need for the user to use the long-winded bank transfer payment method again! Furthermore, paying at betting companies with Apple Pay is extremely safe and secure, being protected with face or finger identification. This means that nobody can access your Apple Pay account. Next, the payments are to be made directly from your iOS smartphone or another device, so if you do not have your wallet on you, you can still

bet on the go. Finally, there are no deposit or withdrawal fees at bookmakers accepting Apple Pay. A nice advantage as this means you can deposit as much as you want without worrying about little fees.
