## Robert F Kennedy Jr: polêmicas e apoio do apresentador Joe Rogan

A campanha presidencial independente de Robert F Kennedy Jr pode estar vendo seus números nas pesquisas cair e seus fundos escassear, à medida que histórias bizarras sobre vermes cerebrais e brincadeiras com ursos mortos e acusações de conspirar de forma perigosa ganham força, mas ele conseguiu garantir o apoio procurado do apresentador Joe Rogan.

O popular podcastor fez seu endosso na quinta-feira, dizendo que Kennedy é "o único que faz sentido para mim".

Rogan disse: "Ele não ataca pessoas, ataca ações e ideias, mas é muito mais razoável e inteligente. Eu quero dizer, o cara era advogado ambiental e limpou o Rio Leste. Ele é um cara legítimo."

Rogan se referia ao trabalho de Kennedy nos anos anteriores a ele se tornar amplamente conhecido como teórico da conspiração de vacinas - visões das quais o último final de semana levaram John Oliver, apresentador do Last Week Tonight na HBO, a chamar Kennedy de "ameaça total".

"Você não pode dizer 'não sou anti-vacina' e então andar pelos bosques dizendo para as pessoas não vacinarem seus bebês como se você fosse alguma versão redpilada de Smoky the Bear", disse Oliver, adicionando: "A ideia de RFK é atraente, mas tantas das razões para apoiá-lo não resistem à menor escrutínio."

Rogan discorda. Democratas e Republicanos, disse aos ouvintes, "enganam e manipulam você, promovem narrativas - e o único que não está fazendo isso é Robert F Kennedy Jr".

Rogan já hospedou Kennedy, incluindo uma aparição destacada por Oliver **367 bet** que Kennedy endossou um livro, Cause Unknown: The Epidemic of Sudden Deaths in 2024 & 2024, que alega que as vacinas contra o covid matam jovens e para as quais Kennedy escreveu uma introdução. Rogan também expressou teorias de conspiração sobre vacinas, causando polêmica que ele

superando al hombre en el medio campo para un par. Tercera bola él hace espacio para abofetear pero él es seguido por un off-break, dando a Kohli el bate con un solo hacia abajo del campo. Él toma su total de carreras del torneo a 30 con un solo de su segundo delivery, aunque no antes de un momento de indecisión - pero están a través. Última bola aquí y Rohit barre, encima del 'guardián' para cuatro.

## Los jugadores están en el campo!

Rohit y Kohli. Mahedi Hasan, el offspinner, está tomando el primer over! Un plan fascinante están yendo con aquí. Bueno... **JUEGO!**

**Es una lástima que perdimos la pequeña pelota carrito para los Euros, pero al menos tenemos el camión de la pelota para este torneo.** Está en el camino hacia el medio ahora, con los jugadores, para los himnos nacionales.

**Me perdí la parte donde Rohit dijo en el sorteo que India iba a batear.** He hecho este punto antes: si fuera un capitán internacional de cricket (disponible si seleccionado!), diría siempre en el sorteo que iba a hacer lo que me pidieron que hiciera al perderlo.

**Este grupo está bastante relajado.** Proporcionado India y Australia ganan hoy, contra Bangladesh y Afganistán respectivamente, ambos están a través y su choque dos días desde ahora se convertiría en un juego muerto. Pero está mucho menos claro en el otro lado del sorteo. Sudáfrica, quienes han ganado ambos de sus juegos de Super 8s, en realidad están en el lugar de muerte debido al trabajo ocupado de los Vientos del Caribe anoche. Para obtener una manija en todo eso, sintonice el análisis de Daniel Norcross anoche en el pod The Final Word.

**Escríbeme a lo largo del partido.** Correos electrónicos aquí, twitter (sí, todavía estoy allí – todavía estoy allí – no me iré! ¡No puedes hacerme irme!) aquí.

**India:** Rohit Sharma (capitán), Virat Kohli, Rishabh Pant (wk), Suryakumar Yadav, Shivam Dube, Hardik Pandya, Ravindra Jadeja, Axar Patel, Arshdeep Singh, Kuldeep Yadav, Jasprit Bumrah

**Bangladesh:** Tanzid Hasan, Litton Das (wk), Najmul Hossain Shanto (capitán), Towhid Hridoy, Shakib Al Hasan, Mahmudullah, Jaker Ali, Rishad Hossain, Mahedi Hasan, Tanzim Hasan Sakib, Mustafizur Rahman

Es off-spinner Mehedi entrando por Taskin... ¡eso es una llamada enorme.

## Short-Deck Poker: How to Play 6+ Hold'em (Official Rules)

### What is Short Deck

#### Poker?

Short-deck poker (also known as six-plus hold'em) is a new variation of traditional Texas hold'em that mostly follows the same rules albeit with a significant difference.

Short-deck poker uses a smaller 36-card deck rather than the full 52-card deck.

Most first heard of short-deck poker after it was introduced among the mix in the high-stakes cash games in Macau.

Here we go over the poker rules for Short Deck Poker.

How to Play Poker for Beginners Check out the rules and basic strategy to all the popular poker formats [Click Here](#)

### Short-Deck Poker Rules

Before we discover how to

play short-deck poker, let's see how to get to the 36-card deck needed to play a game of 6+ hold'em.

The 36-card deck in use in poker short deck is created by removing the 2xs, 3xs, 4xs, and 5xs from the deck (16 cards).

That leaves the 6xs up through the Kxs as well as the Axs.

What about the Aces?

As in regular hold'em, in short-deck poker the aces still count as high or low when making straights.

The lowest possible straight in

a game of short-deck poker is Ax9x8x7x6x (think of the ace as essentially replacing the missing 5x).

Poker short-deck is played similarly to regular hold'em.

Each player

receive two hole cards and use them in combination with five community cards to create the best possible hand.

A game of short-deck poker features four streets of betting:

Pre-flop Flop Turn River

However, there are some differences in the poker short-deck poker that you should know about before playing.

### Short-Deck Poker Hand

#### Rankings

Short-deck poker can be played according to the exact same rules as regular Texas Hold'em.

The betting can be fixed-limit or no-limit (although most often the game is played no-limit), and the same hand rankings can be used as follows:

#### Hand Ranking

Hand Name	Poker Hand	Lowest High card	Kx6x9x8xQx	One pair	KK5x8xQx	Two pair	KK66Qx	Three-of-a-kind	KKK6Qx	Straight	A6789	Flush	KJ1069x	Full house	KKK66	Four-of-a-kind	KKKK6x	Straight flush	A6789	Highest	Royal flush	10JQKA
-----------	------------	------------------	------------	----------	----------	----------	--------	-----------------	--------	----------	-------	-------	---------	------------	-------	----------------	--------	----------------	-------	---------	-------------	--------

For more info about the hand rankings in poker and which hand wins, visit our guide to poker hands.

### Alternative Short-Deck Hand Rankings

Short-deck poker is

played often employing a different hand ranking system. Here are the alternate hand

rankings for short-deck poker (note the differences in bold):

Hand Ranking Hand Name

Poker Hand Lowest High card Kx6x9x8xQx One pair KK5x8xQx Two pair KK66Qx Straight A6789 Three of a kind KKK6Qx Full house KKK66 Flush KJ1069x Four of a kind KKKK6x Straight flush A6789 Highest Royal flush 10JQKA

As you can

see, following these alternate poker short deck hand rankings a three-of-a-kind beats a straight (instead of vice-versa), and a flush beats a full house (instead of vice-versa).

Why a Different Hand Rankings?

These changes were introduced because the removal of cards from the standard deck alter the probabilities of making certain hands.

For example, with only nine suited cards (instead of 13), a flush is harder to make in short-deck poker than in regular hold'em.

Six-Plus Hold'em Variation — The Deal (Fifth Street)

One other popular variation often introduced in six-plus hold'em has to do with the way the river is dealt.

The game can be played according to the same procedure followed in regular hold'em, with the community cards coming in the same way — flop (three cards), turn (one card), and river (one card) — and betting rounds after each street.

More often, though, instead of a river card being dealt to complete a five-card board, players are each dealt a third hole card instead.

Players then make their five-card poker hands by using exactly two of their three hole cards and three of the four community cards.

The building of hands resembles the procedure followed in Omaha poker where players must use two of their four hole cards plus three board cards to make a five-card poker hand.

Short-Deck Poker Basic Strategy

As you might imagine, the removal of low cards and use of the 36-card deck makes it more likely to make higher value hands, a change that tends to introduce more action.

You should adjust your thinking about relative hand values from what they are used to in regular hold'em.

The smaller deck makes it easier to make two-pair hands, which means a hand like top pair-top kicker is no longer as strong in six-plus hold'em as it is in regular hold'em.

Straights and full houses are also easier to make in six-plus hold'em than in the regular version of the game (a reason for the alternate hand rankings).

The odds of hitting certain draws change, too, in short-deck poker.

Just to highlight one example, filling an open-ended straight draw becomes more likely in short-deck.

While you're still looking for the same eight outs there are fewer total cards in the deck, thus increasing the percentage you'll make your straight.

The smaller deck also affects the likelihood of being dealt certain hands. [Y]ou're more than twice as likely to get pocket aces[/B] in short-deck poker than you are in regular hold'em!

Finally, players

being dealt a third hole card instead of there being a fifth community card obviously affects hand values as well, making it even more likely that players improve their hands — yet another factor that has to be taken into account when calculating odds and considering your final-round betting strategy.

Conclusion

Short-deck poker / 6+ hold'em

introduces several exciting twists to traditional Texas hold'em, creating an action-filled alternative that many players are finding especially enjoyable to play.

The changes from regular hold'em aren't terribly complicated, making it easy to new players to learn and play right away.

Short-Deck Poker FAQ

How do you play

Short-Deck Poker? A game of short-deck poker follows the same rules and gameplay as Texas hold'em poker. The players receive two hole cards and they need to combine them with five community cards to create the best possible five-card hand. Short-deck poker, however: Uses a 36-card deck rather than the full 52-card deck

Ranks the hands

differently compared to Texas hold'em All the details to know before playing a game of short-deck poker are in this article. Why is short-deck poker so popular? The game of short-deck poker, os six-plus hold'em became famous at the high-stakes games in Macau. Due to the smaller deck, the game makes it more probably for players to hit high-value combinations. Where is short-deck poker played? You can play short-deck poker live at most poker festivals. If you are looking for games of short-deck poker online, check out the pokes sites listed on this page. What's the best short-deck poker strategy? The removal of some low-value cards from the deck changes the game's basic strategy and the value of different poker hands. To understand ranges and odds in short-deck poker, have a look at this article.

Must Have Rooms

Home to the biggest tournaments online, these rooms also have the largest player base, great bonuses, tons of action and the best software. If you don't have accounts here, you are missing out on the best that online poker has to offer.
