First of all, your text is well-structured and easy to read. You have a clear introduction, development, and conclusion. However, I would suggest a few changes to make it even better:

sports betting, including how to create an account, how to deposit money, and how to place a bet. 7. Provide more information about the bonuses: while you mention that some apps offer bonuses, it would be helpful to provide more information about the types of bonuses available and how to claim them.
