If you appreciate the skills and techniques showcased in football then you'll love futsal and betting on futsal here at Unibet! Futsal is one of the most technically precise sports on the planet. Many sports fans will know it simply as indoor football but there's a lot more to futsal than that! Unibet offers a wide variety of futsal betting markets to suit every punter. Don't worry if you're new to the sport because futsal is one of the easiest games to understand. Just like professional football, the aim is to score more goals than the opposition. But what makes futsal so special is the skills involved!

Betting on futsal is very similar to football. You can bet on simple markets such as match winner, correct score and first goalscorer. But there are other great bets available in the futsal betting odds! These include markets such as over/unders and handicaps.

The great thing about betting on futsal is there are usually more goals scored than a normal football game. That means you can bet on over/unders at higher extremities, thus generating greater odds. Equally, handicap betting is a great way to even out the odds when there is a heavy favourite in a match.

Both men's and women's futsal is played all over the world and there are dedicated leagues and tournaments to bet on. International futsal such as the World Cup, UEFA Futsal Championship and Copa America de Futsal feature the best countries in the world. On a club level, the UEFA Futsal Champions League and Intercontinental Futsal Cup are two great tournaments to bet on with Unibet!

We offer tournament odds on the biggest futsal competitions on the planet. Of course, the Brazilian and Spanish teams usually dominate the tournaments and they're often a great choice when betting on futsal.

You can also bet on futsal In Play via the Unibet sportsbook! This means you can bet during games, which gives you the flexibility to choose the best odds for your bet. In Play futsal betting is all about timing and experienced bettors will make sure to follow the game closely before making their choices!
