Mazraoui é uma das várias opções de defesa que estão sendo consideradas por Ten Hag, o qual treinou os marroquinos **jogos betfair** Ajax desde 2024 até **jogos betfair** partida para Old Trafford quatro anos depois. Mazraoui apoiou Antony no flanco direito do Ajax durante sua temporada titulada 2024-21 e 2024-2024 e eles impressionaram como um paring (emparelhamento).

Mazraoui se juntou ao Bayern **jogos betfair** maio de 2024, enquanto Antony mudou-se para a United no agosto daquele ano por 82 milhões. A Ten Hag acredita que o uniforme pode ser revertido com uma parte do plano da jovem de 54 anos e visado pela Mazraoui como um dos alvos deste projeto:

Para que a transferência ocorra, Wan-Bissaka teria de sair primeiro. O defensor assinado pelo Crystal Palace por 45m **jogos betfair** junho 2024, receberia uma taxa aproximada de 15 milhões e é alvo do West Ham

### Erro grave na campanha do Labour: tratamento dado a Diane Abbott é leading news

Whether your view of Diane Abbott, or your view of Keir Starmer, there has plainly been a serious blunder in Labour's campaign when her treatment ends up leading the news coverage and splashed across most front pages. Quite apart from the bad look, Labour's big NHS day was blown away by a story on the fate of one MP.

### O milagre de Starmer e a recuperação do Labour

Starmer has pulled off the near-impossible in a remarkably short time: returning Labour to electability after its worst crash in living memory. This miraculous recovery has required

unflinching severity in dealing with antisemitism and a resolute "Labour has changed" message after Jeremy Corbyn's leadership. It was risky to expel the former leader – but he was extraordinarily lucky that Corbyn, with characteristic obstinacy, chose to rule himself out by refusing to accept the overall verdict of the independent Equality and Human Rights Commission (EHRC). Had he accepted its judgment and offered a sufficient apology, he would probably still be a thorn-in-the-side Labour MP. If he wins as an independent, that's a very minor embarrassment as Labour sweeps to power.

## **O caso de Diane Abbott: apologia e investigação**

Diane Abbott, a longtime Corbynite, did rapidly apologise last year for writing a letter to the Observer comparing Jewish people's experience of racism with prejudice against gingers, then accepted the public embarrassment and completed a two-hour online antisemitism awareness course. There it should have ended, instead of 15 months of "investigation" by Labour high command. The Labour whip was restored to her this week, but she says she has been told that she cannot stand for Labour in the Hackney North constituency she has represented for 37 years.

## **A autoridade e a confiança de Starmer **jogos betfair** questão**

Starmer appearing on TV, denying it was up to him and giving no reason for the interminable delay, lacked honesty – and it showed. Of course he's in charge. He should have stepped in immediately and let her candidacy be announced, end of story, moving on to what matters: chasing out these Tory degenerates. Until now, he has brooked no diversions from the business of winning, which from his first day has been his prime purpose.

## **A importância de Diane Abbott como "trailblazer"**

Abbott is a "trailblazer", Starmer has said. For many young black women, Abbott's story is indeed that of a trailblazer, the word Sadiq Khan also uses in praise of her. While on the fence over her candidacy, he recalls how seeing her in 1987 "made a huge impact on me". It's easy now to forget how the arrival of a young black woman – struggling always as the only black girl in her grammar school, the only one in her Cambridge cohort – transformed possibilities for so many.

## **A mistreatment de Abbott e as consequências para o Labour**

She pays the price in never-ending disgusting abuse, as when the biggest Tory donor said she "should be shot", without Rishi Sunak casting him off. MPs do get murdered. That alone is a reason why Labour should stand by her. Acknowledging her iconic role in the party's history, and forcing the Tories to diversify too, is far more important than some of her jarring views.

## **Conclusão: reconsiderar a decisão e manter a unidade do partido**

It's a fast-moving story. Perhaps Labour campaign leaders will come to their senses, Starmer will see how petty this looks against the epic importance of this election and Abbott will be reinstated. Once Labour is in power, losing support from liberal-left and green-inclined voters will be an increasing threat. Beware of alienating them pointlessly.
