É um projeto open-source que desenvolve e coordena projetos em outros sistemas educacionais. Seus trabalhos e palestras normalmente são patrocinados pelo Estado brasileiro.

Os principais organizadores desse projeto são o professor Antonio Silva, ex-reitor da Universidade de São Paulo (USP), o jornalista Sérgio Machado, o professor de Ciência da Computação Renato Bross, o estudante do Centro de Mídia José Carlos de Moraes Moreira e o brasileiro Daniel Dolabella.

A iniciativa se trata de uma "persa de educação que transforma em realidade o mundo" e foi idealizada pelo professor e pesquisador universitário Mário Bross.

### Free soccer game

Dream Club Soccer is a free-to-play APK football game for your Android device. The app offers an easy way to play football on your phone, with intuitive controls and design. Additionally, you can pick one of the many teams to play and help them rise through matches.

If you enjoy playing football on your mobile device, Dream League Soccer and Dream League Soccer 21 are great alternatives to try. Both of these titles include many of the famous players you'd know from 2024. The Dream League Soccer series is free to play like Dream Club Soccer.

### 3D graphics

Dream Club Soccer uses 3D graphics that give you a range of graphics options. While playing, you'll see a close-up of the character you're in control of, navigating the player across the pitch. Due to the size of players, playing on a tablet or larger screen size will offer the best experience.

### Advertisement

This 3D graphic style lets you quickly and easily identify the opposing team and shows where you can move within the pitch. As the graphics aren't highly-detailed, your device won't overheat after playing for an extended period.

### Exciting gameplay

Using a simple interface, your controls are quickly visible from the start of a match. Pass, score, tackle, and win the ball using the on-screen buttons as you run with the joystick control.

Dream Club Soccer uses the same rules as the real-life sport and allows you to use all the tactics you'll find in a real football match. The game lets you engage in a challenging battle for control of the ball as you and your AI opponent compete to score the most goals.

### Learning curve

Dream Club Soccer is an easy game to start learning; however, like playing the actual sport, it can be hard to master. Learning when to tackle the ball and when to pass can prove challenging. However, with practice, you'll improve your control over your team.

### Shoot for goal

Dream Club Soccer is a free Android game that brings a fun yet simple 3D football game to your device. While the game is for mobile devices, you can play it on a laptop or desktop PC using an emulator such as BlueStacks.

Dream Club Soccer isn't the best mobile game available; however, it can still be an enjoyable

experience. The title works better than its alternatives on older Android devices due to its reduced graphics requirements.
