To sum up, competency-based learning is a student-centered strategy that offers many advantages to students, teachers, and employers. It improves the learning sphere for students, promotes personalization, increases engagement, and encourages collaboration.

The Benefits Of Applying A Competency-Based Learning Model

Hence, CBET can be defined as an education and training that focus on the attainment of standards in which case trainees, based on their unique abilities, master the necessary skills, knowledge, and attitudes that are matched against the needs of employers.

2. Competency Based Education and Training (CBET) and TLCs
