An attempt at assassination by a "solitary wolf" who fired at least four bullets against Robert Fico, the leader of Slovakia.

The suspect was promptly arrested on Thursday and charged with premeditated attempt, but the authorities did not name him publicly. The news outlets in Slovakia identified him as a retiree with 71 years of experience in poetry or protests to whom they said he acted alone.

The prime minister, the Prime Minister Fico is pressuring to reverse the judicial powers in a way that limits the investigations on corruption and reform the national system of radio and television with a view to the purge of liberal prejudice in government. He is in favor of military support in Ukraine; the rights of LGBTQ (LGB) or the EU.

Espanha, Irlanda e Noruega reconhecerão o Estado Palestino: uma decisão histórica

The decision by Spain, Ireland and Norway to recognize the State of Palestine has triggered a diplomatic crisis with Israel, which has withdrawn its ambassadors from Madrid, Dublin and Oslo. The Spanish prime minister, Pedro Sánchez, said that the decision was taken **leon casino bet** for peace between Israelis and Palestinians and not as an action against Israel.

Sánchez said that the decision was based **leon casino bet** on justice and international law and that the State of Palestine should be viable, with the West Bank and Gaza connected by a corridor and with the West Bank as **leon casino bet** capital and should be unified under the legitimate government of the Palestinian Authority.

He emphasized that the decision is not against anyone, especially Israel, a friend of Spain who wishes to cultivate the strongest possible relations. Sánchez said that Spain rejects absolutely Hamas, which is opposed to the solution of two states.

Sánchez said that Spain will do everything that is within its reach to make the solution of two states a reality and renewed its appeals for a permanent **leon casino bet** ceasefire in Gaza, for humanitarian aid to be allowed **leon casino bet** in Gaza and for all Israeli hostages to be freed. He also said that Spain will work to bring an international conference of peace on the solution of two states.

"The decision that Spain adopts today is based on respect for international law and the defense of the international legal order based **leon casino bet** on rules", said Sánchez. "These are the principles that guide us always, independently of the context - both **leon casino bet** in Gaza/Palestina and in Ukraine. Spain will always defend the proposal and the principles established in the UN Charter."
