Understanding Straight Up Bets: A Complete Guide

What is a Straight Up Bet?

A Straight Up Bet is any wager placed on a single outcome of a game. Although they can be made in a variety of markets, the most common ones are on the Moneyline, Over/Under (totals), or Spread (handicap). These types of bets are straightforward and easy to understand, making them a popular choice for both new and experienced bettors.

Examples and Rules

The most obvious example of a Straight Up Bet is the Moneyline. The rules are simple - if you bet on a team and they win the game, you win! However, if they lose, you lose your bet. This means that there is no possibility of a tie (push) in Moneyline bets.

Case	Action	Consequence
1	Bet on Chelsea FC at Moneyline	When Chelsea FC beats Liverpool FC, you win!
2	Bet on Liverpool FC at Moneyline	When Liverpool FC loses to Chelsea FC, you lose your bet.
