The category for jackpots is packed and has more than 400 entries on the site. Most of the gaming options here have relatively small jackpots of a few thousand pounds or euros, which are awarded frequently to lucky players. It could be you! Some popular examples here are Greedy Goblins, Neon Reels, and Wolf Run.

There are some jackpots which really stand out. The Glam Life slots game has a progressive that often exceedsR\$200,000. It can even go up to a cool half a million! There's one issue players might face when it comes to progressive slots at 22bet – jackpots aren't displayed along with the games. This can make it difficult to know which prizes have reached high levels.

Table Games

As table games don't get their own category on the site, browsing through hundreds of slots to find them is not easy. It's best to search for your desired game, since there is a very good chance that you will encounter multiple variants. For example, you'll see over 80 online blackjack tables covering all popular variants, stakes, and designs. It's a similar case with roulette, and baccarat is not overlooked either.

Casino poker, red dog, casino war, and other table games ensure that the collection is complete. And it is not just the quantity that will impress players – the quality of most games is superb. Table games are meant to look very realistic, with user-friendly controls for a relaxing gaming experience. It is possible to play for free and practice some of the special features before betting real money.
