In casino play, it's common to use a small ante and bring-in. In home games, using an ante only is 8 typical.

Seven-card stud is the "S" game in HORSE and similar mixed game formats.

Variants [edit]

"Down the River" is the 8 basic variation of Seven-Card Stud Poker and this is the game played in poker rooms. "Mississippi" removes the betting round 8 between fourth and fifth streets, making only four betting rounds. This game also deals the fourth and fifth cards face 8 up. This makes the game more closely resemble Texas Hold'em by having the same betting structure and the same number 8 of down and up cards. Another is "roll your own", in which four rounds of two cards each are dealt 8 down, and each player must "roll" one card to face up, followed by a round of betting. Except for the 8 first round, the card rolled may or may not be from the round just dealt. "Queens and after": in this 8 variant, all Queens are wild, and so is whatever card that is dealt face up that follows the Queen. All 8 cards of that kind are now wild, both showing and in the hole. The fun part is that if another 8 Queen is dealt face-up, the wild card will change to whatever follows this Queen. The former card is no longer 8 wild. "Baseball": in this variant 3s and 9s are wild, and a 4 dealt face up gets an extra card. 8 "Low Chicago": Low spade in the hole gets half the pot. Similarly, "High Chicago" means high spade instead of low. 8 Just "Chicago" can mean either. "Acey Ducey": aces and twos are wild. One-eyed Jacks or Suicide King can be specified 8 as wild. Razz is a lowball form of Seven-Card Stud, with the objective being to get the lowest hand possible. 8 In the variation called "Seven-Card Stud High-Low", the pot is split between the holder of the highest and lowest hand 8 if the low hand is topped by at least an 8. Alternative names to this variation are Seven-Card Stud/8 and 8 Seven-Card Stud Split.

At the end of Tennessee Williams' play *A Streetcar Named Desire*, the minor character Steve says "This game 8 is seven-card stud," seemingly a reference to the narrative's transactional, game-like nature and its lack of propensity to change.
